September 2018

California Proposition 65

Coin Mechanisms is diligently working to be fully compliant with Prop 65. To keep pricing at it's finest for our customers we are working through some stock prior to reaching our full compliance state.

For more information about the new Proposition 65 regulations, visit these websites:

<https://www.p65warnings.ca.gov>

<https://www.p65warnings.ca.gov/new-proposition-65-warning>

In accordance with Proposition 65, you may find the following warning label on some of Coin Mechanisms' products:

WARNING! This product can expose you to Chromium 6 which is known by the state of California to be a carcinogen & reproductive toxicant. For more info go to www.p65warnings.ca.gov
